

"Iraq is expanding and improving facilities that were used for the production of biological weapons."

September 12, 2002

MISLEADER

"[The Iraqi regime] has stockpiled biological and chemical weapons. It is rebuilding the facilities used to make those weapons."

October 2, 2002

"Our intelligence officials estimate that Saddam Hussein had the materials to produce as much as 500 tons of sarin, mustard and VX nerve agent."

January 28, 2003

"We have sources that tell us that Saddam Hussein recently authorized Iraqi field commanders to use chemical weapons."

February 8, 2003

"Intelligence gathered by this and other governments leaves no doubt that the Iraq regime continues to possess and conceal some of the most lethal weapons ever devised."

March 17, 2003

WE WANT THE TRUTH NOW.

America rallied around a President who warned of the imminent danger of weapons of mass destruction, who promised the evidence for such weapons was incontrovertible. Now, months later, no weapons have been found. Worse, the evidence suggests that intelligence reports were deliberately misread, that the American people were deliberately misled. It would be a tragedy if young men and women were sent to die for a lie.

YES! I want the truth.

Your contribution will help fund additional efforts to tell the real story behind the headlines.
